***Performance in the
RMAOA Musical Show,

“My principal goal as a teacher is to ***foster an enduring love of music*** in my students. I hope to share my knowledge, experience, and talents with students so that they develop into well-rounded musicians that ***connect on an emotional level with the music***. I find nothing more gratifying than to see students progress to higher levels . . . whether that be strictly for their own enjoyment or competitively.”

RMAOA will host the best in-depth music camp in Northern Virginia. We look forward to providing a great intellectual and unforgettable experience for your children. RMAOA's summer camp program will have a different area of study for each week. There will be two groups (10 students each) divided by age and musical ability. We will provide an excellent ratio of teacher to student instruction (1 teacher/assistant teacher per 5 students) so that each camper receives hands-on attention.
